Virtual Press Conference Calling for Energy Tax Receipts Restoration

Trenton, NJ (June 24, 2022) The New Jersey State League of Municipalities (NJLM) is pleased to invite you to a virtual press conference addressing the efforts of Mayors across the State to restore energy tax receipt funding to municipalities.

For over a decade, state lawmakers have diverted funding intended for local programs, local services and local property tax relief to fund state programs. Senate Bill 330 and Assembly Bill 3804 will return millions of dollars back to municipalities. The Senate bill passed unanimously in March and the Assembly companion is awaiting a hearing.

There will be an opportunity for the press to ask questions at the end.
