II. CORRECTION: Recent Letter Mailed With Survey Request

The League recently mailed a survey requesting information on your Parking and Recreation Fees. Unfortunately, the cover letter accompanying the survey was incorrect. The letter is dated April, 2016 and included an introduction for a survey request that was mailed two years ago.

If you receive this mail, please disregard the cover letter only. **The survey itself IS correct.** [You may also click here to complete this survey online.](#)

Please submit responses no later than May 30.

We know that your time is valuable and thank you in advance for your participation. Your responses are greatly appreciated.

League Contact: Taran B. Samhammer, tsamhammer@njslom.org, 609-695-3481 extension 124.

III. EPA's Water Infrastructure Finance and Innovation Act (WIFIA) Funding Announced

The US EPA has announced a second round of funding for water infrastructure projects and is currently seeking Letters of Interest (due July 6). \$5.5 billion in WIFIA loans are available. The WIFIA program is a federal loan and guarantee program aiming to accelerate investment in the nation's water infrastructure through long-term, low-cost supplemental loans for regionally and nationally significant projects, including:

- Drinking water treatment and distribution projects;
- Wastewater conveyance and treatment projects;
- Enhanced energy efficiency projects at drinking water and wastewater facilities;
- Desalination, aquifer recharge, alternative water supply and water recycling projects;
- Drought prevention, reduction or mitigation projects.

[Click here to visit the Water Infrastructure Finance and Innovation Act \(WIFIA\) website.](#)
