I. League Web and Email Updated to njlm.org

The League is excited to announce its web and email will be updated to www.njlm.org.

To achieve consistency with the very familiar NJLM logo, we are updating our web and email addresses to reflect njlm.org. On Friday, February 1, you will see a change in League staff emails, as new updated addresses are rolled out. Emails you send to njslom.org accounts will still be received by League staff. **But to ensure that you continue receiving correspondence from the League, please update your email settings and add njlm.org to your safe lists.**

As part of this process, you will notice that the League's new website address is www.njlm.org. Please update any bookmarks that you may have saved to reflect this change.

The change to www.njlm.org will establish a level of consistency and recognition with our very familiar NJLM logo. Creating a level of consistency is important so that the League membership and partners can easily recognize and rely on our communications.
