I. New 2019 Edition! Salary Report of Municipal Positions Available Now

The latest edition of the New Jersey Municipal Salary Report is now available, including salaries for over 40 municipal positions. This is a digital report that includes data for 244 municipalities in a Microsoft Excel Spreadsheet. The data was gathered from a recent survey conducted by the League. [View the full list of positions and municipalities](#) included in this report on the League's website.

The cost to purchase is \$90 for members and \$180 for non-members. After ordering, the report will be emailed to the address provided on the [order form](#). [Visit the League's Publication web page to order](#).

II. Responding to Racial Tension

This action report is available through NJLM partnership with the National League of Cities. NLC's REAL team published its newest Municipal Action Guide, [Responding to Racial Tension in Your City](#). This resource for cities is the result of interviews with several current and former municipal leaders who have been through similar moments of crisis with racial tension. The document provides important contextual and tactical information to support a municipality's efforts to respond effectively.
