### **I. Survey Perceptions of Public Employees**

Rutgers-Center for Government Services will be presenting a panel at the League Conference “Perceptions of Public Employees: Fire Them? Reward Them?” and they want your input.

This session will address how appointed and elected local government officials perceive the issue of citizen distrust, and their input on how employees might contribute to improving the perceptions. Data will be presented on how NJ public officials recommend municipal governments respond to those negative perceptions.

Please provide your input directly to the Rutgers-Center for Government Services through [this short \(8 minute\) survey](#).

They thank you for your input.
