Dear Mayor:

The latest version of the New Jersey Municipal Salary Report is now available, and includes salaries for over 40 municipal positions. This is a digital publication that includes an Excel Spreadsheet of the data, as well as a report of countywide comparisons for each position in PDF format. The data included was gathered from a recent survey conducted by the League, to which 329 municipalities responded. Click here to view the full list of positions and municipalities included in this book.

The cost to purchase is $90 for members and $180 for non-members. After ordering, the report will be emailed to the address provided on the order form. To order, click here.
