III. Unauthorized Hospitality Functions

The 103rd Annual League Conference will soon be upon us and we know you are looking forward to a productive and educational week.

Numerous exhibitors and groups have scheduled receptions and hospitality functions during the evening hours in Atlantic City. However each year there are a few commercial entities that schedule hospitality function such as brunches and lunches which conflict with the Conference programming. These unauthorized functions should not be confused with legitimate business luncheons sponsored by our affiliated associations and their members. The League urges you not to attend daytime hospitality functions offered by commercial firms.

Instead, plan your daytime activities so you can derive the greatest educational benefit from attending the League Conference. League Education sessions begin at 9:00 AM, break at noon when there are informative Exhibitor Learning Sessions, resume at 2:00 and finally adjourn at 5:15.

As always, the League is available to answer your questions on any aspect of the annual conference and we strive to make your participation both enjoyable and highly productive.
