State Leaders Discuss Local Issues

The Mayors' Legislative Day is a unique occasion for local leaders to interact with individuals who are responsible for setting the agenda for **Property Tax Reform, Affordable Housing, Pension and Health Benefits Reform, Post COVID-19 Recovery, Transportation, and Utility Issues**. It is also a great way to hear, firsthand, about the State's legislative agenda from Administration officials and key members of the Senate and Assembly. Following the Panel Discussion and Hall of Fame Induction Ceremony, local leaders will have an opportunity to ask State leaders questions about issues directly impacting their municipalities.

Annual Elected Officials Hall of Fame Inductees

The Elected Officials Hall of Fame recognizes the many municipal governing body members who have selflessly served for 20 or more years. The Elected Officials Hall of Fame will shine a light on these pillars of our communities and hold them up as examples of civic pride for all citizens to emulate. At the Annual Elected Officials Hall of Fame induction ceremony, presentations will be made to these special elected municipal officials. **We will be honoring Inductees not only from 2023, but those from 2020, 2021, and 2022 who were delayed due to COVID-19.**

If you know of any elected municipal officials not currently in the Elected Officials Hall of Fame who have served at least 20 years in elected municipal office, please nominate them by filling out the form at www.njlm.org/ElectedHOFapplication. You may make several nominations. Confirmations will be mailed to the nominees in March 2023. A list of the Inductees will be posted to the League of Municipalities' website and published in *New Jersey Municipalities* magazine.
