

# New Jersey Dept. Of State's Cannabis Training Academy

## What is the Cannabis Training Academy (NJ CTA)?

- The NJ CTA is an online, **no-cost**, cannabis technical assistance program that provides educational materials which inform entrepreneurs about the cannabis industry, and the cannabis licensing process, in the Garden State. Municipal leaders will also feel empowered when deciding to allow cannabis businesses into their jurisdiction or engage with cannabis businesses and prospective licensees.

## Who is eligible to participate?

- Any New Jersey resident ages 21+ can register & access the online NJ CTA portal. You can view more than 60+ modules of educational materials that discuss NJ's cannabis laws, regulations, the municipal approval process, real estate acquisition, business and financial planning & more.

## Who is this for?

- Prospective entrepreneurs seeking to apply for a cannabis business license.
- Municipalities & government officials who'd like to learn more about the cannabis industry & how to engage with prospective cannabis businesses.
- Anyone who wishes to understand the cannabis industry in the Garden State
