BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1975, c.231 (C.10:4-7) is amended to read as follows:

2. The Legislature finds and declares that the right of the public to be present at all meetings of public bodies, and to witness in full detail all phases of the deliberation, policy formulation, and decision making of public bodies, is vital to the enhancement and proper functioning of the democratic process; that secrecy in public affairs fosters the risk of corruption and official misconduct, undermines the faith of the public in government and the public's effectiveness in fulfilling its role in a democratic society, and hereby declares it to be the public policy of this State to insure the right of its citizens to have adequate advance notice of and the right to attend, and to review the minutes and recordings of, all meetings of public bodies at which any business affecting the public is discussed or acted upon in any way except only in those circumstances where otherwise the public interest would be clearly endangered or the personal privacy or guaranteed rights of individuals would be clearly in danger of unwarranted invasion.

The Legislature further declares it to be the public policy of this State to insure that the aforesaid rights are implemented pursuant to the provisions of this act so that no confusion, misconstructions or misinterpretations may thwart the purposes hereof.

The Legislature, therefore, declares that it is the understanding and the intention of the Legislature that in order to be covered by the provisions of this act a public body must be organized by law and be collectively empowered as a multi-member voting body to spend public funds or affect persons' rights; that, therefore, informal or purely advisory bodies with no effective authority are not covered, nor are groupings composed of a public official with subordinates or advisors, who are not empowered to act by vote such as a mayor or the Governor meeting with department heads or cabinet members, that specific exemptions are provided for the Judiciary, parole bodies, the State Commission of Investigation, the Apportionment Commission and political party organization; that to be covered by the provisions of this act a meeting must be open to all the public body's members, and the members present must intend to discuss or act on the public body's business, except that a subcommittee of a public body may be subject to certain of the act’s

2. Section 3 of P.L.1975, c.231 (C.10:4-8) is amended to read
as follows:
3. As used in this act:
a. "Public body" means a commission, authority, board,
council, committee or any other group of two or more persons
organized under the laws of this State, and collectively empowered
as a voting body to perform a public governmental function
affecting the rights, duties, obligations, privileges, benefits, or other
legal relations of any person, or collectively authorized to spend
public funds including the Legislature, but does not mean or include
the judicial branch of the government, any grand or petit jury, any
parole board or any agency or body acting in a parole capacity, the
State Commission of Investigation, the Apportionment Commission
established under Article IV, Section III, of the Constitution, or
any political party committee organized under Title 19 of the
Revised Statutes. "Public body" also means, but is not limited to,
an independent authority, redevelopment entity, or improvement
authority, as well as any quasi-governmental agency. "Public
body" also means, but is not limited to, the New Jersey League of
Municipalities, the New Jersey Association of Counties, the New
Jersey State Interscholastic Athletic Association, the New Jersey
School Boards Association, the Educational Information and
Resource Center, and any joint insurance fund established by two or
more public bodies, and any substantially similar successor
organization or association.
b. "Meeting" means and includes any gathering whether
corporeal or by means of communication equipment, which is
attended by, or open to, all of the members of a public body, or
attended by, or open to, all members of a subcommittee if the public
body has determined that the meetings of that subcommittee shall
be open to the public in accordance with section 18 of P.L.,
c. (C. ) (pending before the Legislature as this bill), and held
with the intent, on the part of the members of the body present, to
discuss or act as a unit upon the specific public business of that
body. Meeting does not mean or include any such gathering (1)
attended by less than [an effective majority of the members of] a
quorum of a public body, or (2) attended by or open to all the
members of three or more similar public bodies at a convention or
similar gathering. Meeting does not include a chance encounter or
any gathering at which members of a public body or of a
subcommittee do not discuss or act upon the public business of that
public body or subcommittee.
c. "Public business" means and includes all matters which relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business.
d. "Adequate notice" means written advance notice of at least 48 hours, giving the time, date, location and subject, to the extent known, the agenda of any regular, special or rescheduled meeting, which notice shall accurately state whether formal action may or may not be taken and which shall be (1) prominently posted on the public body's Internet site, if the public body has established an Internet site, and in at least one public place reserved for such or similar announcements, (2) mailed, telephoned, telegraphed, faxed, mailed electronically, or hand delivered to at least two newspapers which newspapers shall be designated by the public body to receive such notices because they have the greatest likelihood of informing the public within the area of jurisdiction of the public body of such meetings, one of which shall be the official newspaper, where any such has been designated by the public body or if the public body has failed to so designate, where any has been designated by the governing body of the political subdivision whose geographic boundaries are coextensive with that of the public body and (3) filed with the clerk of the municipality when the public body's geographic boundaries are coextensive with that of a single municipality, with the clerk of the county when the public body's geographic boundaries are coextensive with that of a single county, and with the Secretary of State if the public body has Statewide jurisdiction. For any other public body the filing shall be with the clerk or chief administrative officer of such other public body and each municipal or county clerk of each municipality or county encompassed within the jurisdiction of such public body. Where annual notice or revisions thereof in compliance with section 13 of this act set forth the location of any meeting, no further notice shall be required for such meeting, except for notice pertaining to agendas and formal action on the public body's Internet site, if the body has established an Internet site, and posting in at least one public place reserved for such or similar announcements, transmittal to the newspapers described in paragraph (2) of this subsection and to any member of the public who shall have requested such notice. Notice shall not be considered "adequate notice" within the meaning of this subsection unless it includes the estimated starting time, as nearly so as can be established, for the beginning of the portion of any meeting from which the public is not excluded.
e. "Agenda" means the list of all items of business to be discussed or voted on at a public meeting. For purposes of providing adequate notice, agendas shall include each individual item to be discussed or acted upon, and a brief description thereof, and shall identify the names of the parties to and approximate dollar amounts of any contracts, including employment contracts, to be discussed or acted upon. No public body shall act upon a matter
that is not listed on the agenda for which notice was given 48 hours prior to the meeting. In addition, a public body, upon the affirmative vote of a majority of the members present at a meeting, may add an item to the agenda for that meeting when necessary to deal with a matter of such urgency and importance that a delay for the purpose of providing adequate notice would be likely to result in substantial harm to the public interest, and provided that the minutes contain a statement that explains the reason for adding that item to the agenda, why the item did not appear on the agenda for that meeting, and why delaying consideration of the item would be likely to result in substantial harm to the public interest, except that the Legislature may add an item to its agenda at any time.

Whenever a public body releases to the public an agenda of a regular, special, or rescheduled meeting of that public body, pursuant to this subsection, that includes a reference to an attachment, appendix, or other document that is a government record, the agenda shall simultaneously make the agenda shall include a statement that the attachment, appendix, or other document shall be available to the public on the public body’s Internet website, if the public body has an Internet website, and shall include a statement on the agenda that the attachment, appendix, or other document may be accessed on that website for inspection, copying, or the purchase of copies. If any member of the public, at least 24 hours prior to a meeting, requests a copy of any attachment, appendix, or other document that is a government record referenced in an agenda, the custodian thereof shall send an electronic copy to the requestor. If such a request is received within 24 hours prior to a meeting, an attachment, appendix, or other document requested shall be made available to the requestor at the meeting of the public body.

f. “Subcommittee” means any subordinate committee of a public body, except the Legislature, regardless of label, that is formally created by that body, comprised of two or more members, but less than a quorum, of the public body.

g. “Quasi-governmental agency” means any association, commission, agency, authority, organization, public-private entity, or any other entity, in which one or more public agencies exercise substantial control as evidenced by whether the public agency, as defined in section 1 of P.L.1995, c.23 (C.47:1A-1.1), maintains the ability to review, approve, or reject the quasi-governmental agency’s proposals or plans, holds a beneficial interest in the quasi-governmental agency’s assets, is the primary source of funding of, or is indebted to, or is a creditor of, or guarantor of the debts of, the quasi-governmental agency. The term shall not include any organization organized under paragraph (3) of subsection (c) of section 501 of the federal Internal Revenue Code (26 U.S.C. s.501) that was not created by, or with the approval of, a public agency primarily for the purpose of assisting that public agency or any
labor organization or any contractor providing goods or services to
a public agency. However, nothing contained herein shall affect the
application of P.L.1975, c.231 (C.10:4-6 et seq.) to entities that
otherwise fall within the definition of "public body."
h. “Quorum” means a majority of the full membership of a
public body or of a subcommittee.

subsection b. of section 7 [b.] of P.L.1975, c.231 (C.10:4-12), no
public body, and no subcommittee which the public body has
determined shall have meetings open to the public in accordance
with section 18 of P.L., c. (C.) (pending before the Legislature
as this bill), shall hold a meeting unless adequate notice thereof has
been provided to the public.

b. Upon the affirmative vote of three-quarters of the members
present a public body may hold a meeting notwithstanding the
failure to provide adequate notice if:
(1) such meeting is required in order to deal with matters of
such urgency and importance that a delay for the purpose of
providing adequate notice would be likely to result in substantial
harm to the public interest; and
(2) the meeting is limited to discussion of and acting with
respect to such matters of urgency and importance; and
(3) notice of such meeting is provided as soon as possible
following the calling of such meeting by posting written notice of
the same on the public body’s Internet site, if the public body has
established an Internet site and in the public place described in
subsection d. of section 3 [d.] of P.L.1975, c.231 (C.10:4-8) above,
and also by notifying the two newspapers described in section 3. d.
by telephone, [telegraph.] fax machine, electronic mail, or by
delivering a written notice of same to such newspapers; and
(4) either (a) the public body could not reasonably have
foreseen the need for such meeting at a time when adequate notice
could have been provided; or (b) although the public body could
reasonably have foreseen the need for such meeting at a time when
adequate notice could have been provided, it nevertheless failed to
do so].
(cf: P.L.1975, c.231, s.4)

public is admitted, shall communicate privately, by means of
communication equipment, including electronic mail, instant

through staff or legal counsel, with any other member of the public
body about any matter on the agenda for that meeting, and no
member shall communicate privately with any other person, other
than staff or legal counsel, about any matter on the agenda for that
meeting by means of communication equipment, including
electronic mail, instant messaging or similar technologies. Nothing
in this act shall be construed to limit the discretion of a public body
to permit, prohibit, or regulate the active participation of the public
at any meeting, except that a [municipal governing] public body
[and a board of education], other than the Legislature, shall be
required to set aside a portion of every meeting of the [municipal
governing] public body [or board of education, the length of the
portion to be determined by the municipal governing body or board
of education,] for public comment at the meeting in question, with
such comments being limited to items on the agenda and on any
governmental [or school district] issue that a member of the public
feels may be of concern to and within the authority of the [residents
of the municipality or school district] public body. A public body,
other than the Legislature, shall permit all proceedings of any
public meeting to be recorded, photographed, audiotaped,
videotaped, broadcast or recorded for broadcast by any member of
the public or news organization, subject only to such reasonable
rules as the public body may adopt prior to the meeting to minimize
undue disruption to its meetings.
A public body shall prepare a written policy that is intended to maximize public participation and that addresses the amount of time it will devote to receiving public comments at meetings and shall include that written policy on each meeting agenda prepared by the public body and on the public body’s Internet site, if the public body has established an Internet site, and in the public place described in subsection d. of section 3 of P.L.1975, c.231 (C.10:4-8). The Director of the Division of Local Government Services in the Department of Community Affairs shall prepare guidelines for public bodies that create minimum standards ensuring public participation.

Whenever the provisions of any other law address the receipt of public comments by a public body, the provisions of that law and the provisions of this section shall be complied with to the maximum extent possible and practical; however, the provisions of the Municipal Land Use Law, P.L.1975, c.291 (C.40:55D-1 et seq.), regarding the receipt of public comments shall be followed notwithstanding the provisions of this section.

(7) [pending or anticipated litigation or contract negotiation] consultation with legal counsel concerning the legal rights and duties of the public body with regard to current litigation or litigation likely to be filed in connection with any executed contract which the public body is, or is likely to become, a party, or concerning current or anticipated contract negotiations, other than in subsection b. (4) herein in which the public body is, or may become, a party, or matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer;

(8) matter involving the employment, appointment, termination of employment, [terms and conditions of employment.] evaluation of the performance of, promotion, or disciplining of any specific [prospective public officer or employee or current.] public officer or employee, prospective or current, employed or appointed by the public body [unless all the individual employees or appointees whose rights could be adversely affected request in writing that the matter or matters be discussed at a public meeting].
