

Day 2 – Thursday, June 11

Schedule of Events

9:00a.m-10:15.a.m

How to Reduce the Incidence of Fraud in Municipal Operations

This session will provide insights on types of occupational fraud to be aware of as well as typical schemes used by fraudsters. We will detail specific internal control procedures to implement to minimize fraud and alert management of anomalies for detection. Cases will review no show jobs; payments where no services were provided; conflicts of interest; related parties; standards of conduct and disclosures; vendor overbilling; vendors ability to get paid twice; tax collector thefts; shared services inequities; missing equipment; misuse on municipal employees services; land and development deals. Discussion on additional contract provisions, audit and approval of completion of work, project oversight, budgets, and reporting. Introduction of increased transparency, segregation of duties, part time consultants.
