

Health & Safety FAQ – As of September 29, 2021

1. What specific health and safety measures will be in place at the time of the conference?

The Atlantic City Convention Center is requiring all patrons, regardless of vaccination status, entering the venue to wear a facial covering or mask and to keep it on at all times while in the venue, except when eating and drinking. This requirement will be extended to all League-sponsored events occurring in the Sheraton hotel.

In addition, all attendees over the age of 12 will need to provide proof of full vaccination or a negative COVID test taken within 72 hours prior to entering the Atlantic City Convention Center during Conference hours.

2. Are there any plans to cancel or reschedule the event?

No, we are confidently moving forward with an in-person event in response to the feedback from enthusiastic local government officials and exhibitors who are eager to learn and connect.

We know that safety and success need to be prioritized in equal measure, and we are committed to safely gathering at the 106th Annual League Conference at the Atlantic City Convention Center November 16-18, 2021.

3. Am I required to wear a face mask?

Regardless of vaccination status, all Conference participants will be required to wear a face mask. The Atlantic City Convention Center requires face masks to be worn by all guests while indoors.

All patrons entering the venue will be required to wear a facial covering or mask and keep it on at all times while in the venue, except as necessary to consume food or beverage.

4. How is vaccination defined?

Fully vaccinated is defined as 2 weeks after the second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.

5. Which vaccines are accepted for entry?

Any of the vaccines approved by the [Food and Drug Administration](#) or the [World Health Organization](#) will be acceptable.

6. What is considered “Proof of Vaccination”?

Acceptable forms of proof of vaccination include the following:

- Original vaccination card
- A copy of vaccination card
- Picture of vaccination card
- Electronic vaccination card (e.g., NJ Docket app)

7. What is “Proof of Negative Test”?

A negative rapid Antigen or PCR test is acceptable. Proof of negative test result needs to be within 72 hours of entrance and directly from the healthcare provider that performed the vaccination or test. It can be displayed on your smartphone, or through a physical copy.

8. Can I show proof of a negative COVID-19 test instead of a vaccine and still access the event?

Yes. A negative rapid Antigen or PCR test is acceptable. Proof of negative test result needs to be within 72 hours of entrance, directly from the healthcare provider that performed the vaccination or test, and can be displayed on your smartphone, or through a physical copy.

9. Is COVID-19 testing required at any point during the Conference?

COVID testing will be required for any Conference participant who is unable to show proof of full vaccination.

10. What is the requirement for children under age 12 to attend?

Children under the age of 12 may attend the event without vaccination. Children over the age of 12 will need to provide proof of full vaccination or a negative COVID test taken within 72 hours prior to entering the Atlantic City Convention Center during Conference hours. Children over the age of 2 must wear a mask at all times.

11. Will you be limiting the number of Conference participants who can be at the event?

The Atlantic City Convention Center allows for appropriate density management and distancing measures and is among the safest venues in the country with [GBAC accreditation](#). As a result, we will not be limiting attendance numbers, but have implemented social distancing measures throughout the conference to keep participants safe.

The [FAQ section on the Health & Safety page](#) will be expanded as the Conference approaches.
